74 The necessity is not explained either in the note or in the reports. Put up with a note summing up at once. Please do not submit such incomplete papers

75 There is no rule governing the fixation of date of disreservation. It can be either from the date of Notification or from any other date that the administrative Secretariat fixes. While fixing up the date by the administrative Secretariat it must be a date subsequent to the date of extension of Mysore Forest Act to Bellary District, The date of extension of Mysore Forest Act to Bellary is 1-4-1956. Therefore, the date of disreservation has to be a date to be fixed after 1-4-1956. This is reported by the CCF at para 65 n.f. The date as fixed by at para 73 n.f. viz., 1-7-1956 is, probably found suitable as the time by which the notification appears in the Gazette it will be 1-7-1956. Subd for orders.

Dear Sri Gowda.

Herewith sending you, a petition by the poor ryots of Duggavathi. You know very well that these ryots were compounded heavily for cultivating forest lands. Their appeal was submitted to you, as Minister, Agriculture and Forests, Madras.

The compound has waived off and grant of patta of lands to the said cultivators, has not been done. The people are still cultivating the lands. But, to sorry, the Departments are troubling them, as the lands are not yet assigned to them. The ryots are put to a great inconvenience and loss.

I request you, to please, get the concerned papers and order assignment and patta to the persons concerned.

Thanking you

Yours sincerely

Subject: Forest lands - Bellary District - Harapanahalli Taluk - Duggavathi village - Assignment of -

---

Ref: Your No.M-181-760/53-54, dated 13-12-1954.
2. This office No.8189-91/54.M2,D/29/30-12-1954.

I write to state that about 73 acres is under cultivation in S.No.7.B. of Duggavathi village in Aligalawada R.F. by the villagers of Duggavathi village, Harapanahalli Taluk. As the cultivation was carried out without the permission of the Forest Department , a case was booked against the cultivators by the Range Officer Harapanahalli in 1951 and the accused were compounded for Rs.710/- without receiving any deposit amount towards compensation by the Dist. Forest Officer, Bellary composite Division. On representation made to the Madras Composite Government by the cultivators, the Government passed orders in their memorandum No.69925-CII/52-5 Development Department Dt.27-11-53 (Madras) to withdraw the case against the accused and to cancel the penalty imposed on them for unauthorised cultivation. Accordingly the case was withdrawn. But it is learnt that the cultivation was going on prior to 1948, i.e., before the taking over the Forest from the Panchayat Management under direct control by the Forest Department in ~~1948~~ 1948, as per the orders of the ~~composite~~ composite Madras Government due to bad management by the Panchayatdars. I hope that the above information can be gathered from the file bearing No.D. Dis.1644/52. of Bellary Conservator's Office submitted to your office in this office No.1250/54.H5. dated 26/27-5-54.

2. The area under question, may be disreserved, as the areas are under cultivat-ion since many a year and is practically a level one and is devoid of tree growth and has practically very little shrubs. Further there are large No. of cultivators and it is not worthwhile to pass orders to evict at this later stage. Considering the large standing cultivation, I suggest that the areas may be disreserved. A sketch of the areas of 111.92 acres from S.No. 7.B. Aligilwada R.F. to be disreserved and the area under cultivation are enclosed for reference. The persons who are cultivating the bits 3, 13 and 14 may be ordered to evict the area and make adjustment in the remaining portion of the area proposed for disreservation as the proposed areas form compact blocks adjoining patta fields.

3. A draft notification is also enclosed for disreservation prepared by the Range Officer, Harapanahalli after the area is surveyed by him and list of the cultivators is also enclosed.

4. After disreservation the area may be h-anded over to the Revenue authorities for taking further action as allotment and sub-division of S.Nos.

Unofficial No.83/54-55. Dt.13-10-54.

RE: Forest lands-Bellary District-Harpanahalli Assignment

RETRANSMITTED:

The subject metter and the land referred to are the same as those dealt in Memo No.A.F.9167 dated 7-12-53. I have no further remarks to offer. Since the parties are reported to be unwilling to have the lands for Kumri Cultivation, the question of leasing out the area in S.No.376 of Gundagatti village may be dropped.

P.T.O.

Petition received in Memo No.A.F.11309 dated 4-2-1954 is also retransmitted.
